

Hello Friends,

We hope your year has gotten off to a great start so far. We wanted to check in with you all, and give you some insight as to what is going on in the world of VMS in hopes of helping you to feel more prepared for tax season and the year ahead.

Tax season is in full swing. All individual returns should be filed or extended by Monday April 18th. If you are living in Maine or Massachusetts, your deadline is April 19th. As your documents and materials come in, please send them our way. As you can imagine, it is beneficial for us to get on the front foot of these things. If submitting electronically, please sign into your secure portal with [ShareFile](#). If you do not have a ShareFile portal set up and would like one, please reach out to us directly. Submitting documents to ShareFile in a scanned PDF format is preferred.

We are currently not holding meetings with clients in our office, but we do have access to a spacious atrium area on the second floor of our building for any necessary proceedings. We will update you if anything changes regarding our meeting policy.

Wishing you the best of health.

-VMS
