Did you know?

As part of the new Inflation Reduction Act, beginning in 2023 homeowners will be able to take a yearly credit of up to \$1,200 per year for energy efficient improvements such as exterior doors, windows and furnaces. This credit is an expansion of the current \$500 one time only energy credit that expires in 2022.

IRS Update

Anyone who filed their 2019 & 2020 income tax returns late will be refunded the failure to file penalty. Refunds will come automatically from the IRS to those affected.
